

Office of Assistant Treasurer U. S.,

New York City, February 12, 1884

Sir:

Your letter of the 11th. inst. referring to analysis of 5 cent nickels sent, and enclosing Mr. Eckfeldt's report upon the same is at hand.

I send herewith, in accordance with your suggestion, five nickel 5 cent pieces, similar to those handed to Mr. Torrey, and will thank you for an opinion upon their character, and which can be accepted by the experts of the minor coin division, of this office, as conclusive. These nickels are rejected, by the experts, as counterfeits.

An early reply will be appreciated.

Very Respectfully

J. C. A. Peter
